Also please know that flights can get delayed so allow enough time to get to the graduation. We recommend if you can afford it to arrive on Thursday night and stay in a motel so you will know you will be here on Friday without worrying about flight delays. In the past some student's flights were delayed and this caused the student to miss their own graduation. ATS is not responsible for late flights or flight hook ups that were delayed and caused you to miss your own graduation! We ask you to get an early enough flight to have plenty of time for the unexpected.

You are required to sign in at 10 AM on the Friday of Graduation!
