NCCA Licensure is not to be confused with state licensure. Most states have regulatory laws governing the practice of psychology. Many also have laws governing the practice of general counseling. These laws vary from state to state. For example, some states use the term "Licensed Professional Counselor." Therefore, NCCA requires its counselors to clearly identify their license as "NCCA Licensed Pastoral Counselor" or "NCCA Licensed Clinical Christian Counselor." This ensures that the NCCA counselor is operating within legal and ethical standards. The state recognizes that counseling is one of the responsibilities of the church and its clergy. For this reason, the state does not interfere with the ministry of counseling as long as the counseling is provided under the following conditions:

1. That the counselor is an ordained, licensed, or commissioned clergy person.
2. That the counseling service is provided by and represented as a Christian or pastoral counselor.
3. Provided under the authority of a local church, national church organization, or a 501(3)(c) not for profit ministry.

NCCA Certification and/or Licensure is not to be confused with state license.

The D.CC. program is a 30-semester hour program. Students must complete the program within two years from enrollment date. The program combines both ATS and NCCA courses. For specific information call the ATS Christian Counseling Department.

Upon completion of the D.CC. program, in cooperation with the NCCA, the ATS student will receive a doctor degree and NCCA Board Certification in TWO areas of specialization, making the ATS D.CC. program the most complete Christian Counseling program available today.

FOR STUDENTS WHO HAVE NOT COMPLETED NCCA LICENSURE, THE PROGRAM LISTED ON THIS PAGE OFFERS NCCA LICENSURE WITHOUT NCCA BOARD CERTIFICATION. ATS has a working relationship with ITS, and we are able to offer these courses to any students who choose to take them. The cost for each course is \$300.00. Students may choose one or more. If taken in conjunction with an Andersonville Theological Seminary program, additional fees will be added to cover the courses. A counselor will be happy to explain any additional fees and change of payment plans.

Understand, students are not required to take any of these courses. As a matter of fact, of the 6,000 plus students we have enrolled, the vast majority chooses the Andersonville Theological Seminary course tracks. Feedback tells us that our students prefer the ATS courses. However, you may see a course that you would like to take. Please feel free to do so.

Important note: It is imperative that the prospective student realizes that Andersonville Theological Seminary does not necessarily endorse the doctrines that are taught in any given ITS course. These courses are offered to expose students to a variety of teachings regarding a given topic so that the student may more fully understand the controversies and issues involved with that topic. We, however, do endorse wholeheartedly Andersonville Theological Seminary courses, as they have proven to equip the pastor and Christian worker for over 25 years.
