

Invitations for Graduation Order Form

There is a 25-dollar set up fee for invitations.
You only must pay the set-up fee one time. So, if you place a second order you do NOT have to pay the setup fee again.

25 invitations if the **smallest number** can be ordered.

25 invitations = \$45.00 plus \$25 set up fee = 70 dollars

50 invitations = \$75 plus \$25 set up fee = 100 dollars

100 invitations = \$105 plus \$25 set up fee = 130 dollars

150 invitations = \$153 plus \$25 set up fee = 178 dollars

200 invitations = \$200 plus 25 set up fee = 225 dollars

Most students order 50 or 100 invitations, but you can order any of the above amounts! You do NOT need invitations for yourself or your guests to get into the onsite graduation. Most graduates order invitations but you are NOT required to.

Rule of thumb: Students should send out invitations 4 to 6 weeks before graduation!
