

## Invitations for Graduation Order Form

There is a 25-dollar set up fee for invitations.

You only must pay the set-up fee one time. So, if you place a second order you do NOT have to pay the setup fee again.

25 invitations are the **smallest number** that can be ordered. Email Mae for ordering invitation questions at [shipping@andersonvilleseminary.com](mailto:shipping@andersonvilleseminary.com)

Mae is in charge of the invitation orders for the 2025 onsite graduation!

**Each graduate must purchase at least 25 invitations.**

25 invitations = \$45.00 plus \$25 set up fee = **70 dollars**

50 invitations = \$75 plus \$25 set up fee = 100 dollars

100 invitations = \$105 plus \$25 set up fee = 130 dollars

150 invitations = \$153 plus \$25 set up fee = 178 dollars

200 invitations = \$200 plus 25 set up fee = 225 dollars

Most students order 50 or 100 invitations, but you can order any of the above amounts!

**Please Note:** Invitations are mailed out closer to onsite graduation date because depending on crowd or graduates size determines whether graduation will be held at the Albany Municipal Auditorium or the Albany Civic Center. Both locations are in Albany, Georgia.

**It is important to note that the graduation date is set in stone; however, the site of the graduation depends on how many graduates and family members will attend.**
